THOUGHT OF THE WEEK

Staying positive does not mean that things will turn out okay. Rather it is knowing that you will be okay no matter how things turn out.

ROLE MODELS OF THE FORTNIGHT ROSIE JONES

Rosie Jones is best known for being a stand-up comedian, actress and screenwriter. She has ataxia cerebral palsy and came out as a lesbian many years ago. Rosie is passionate about the importance of intersectionality, which is the interconnected nature of social categorisations. She believes people shouldn't have to stick to one main category and wants to encourage other disabled people to be more open about their other social categories, including sexualities and genders, like she does.
