

## Apprenticeships

There are four levels of apprenticeships available for key stage 5 school leavers. Depending on your qualifications, you can apply for level 3 – level 7.

Level 3 – Advanced  
Level 4/5 – Higher  
Level 6 – Degree  
Level 7 – Masters

The level of the qualification will vary depending on the type of apprenticeship role, e.g. Paralegal apprenticeships are level 4 and Solicitor apprenticeships are level 7.

Further information about apprenticeships can be found using:

Apprenticeships are advertised throughout the year and some of the larger companies / more competitive opportunities will be advertised in the Autumn term for a start date of the following September. It is therefore extremely important to undertake a search for opportunities regularly throughout Year 13, starting at the beginning of the academic year.

Apprenticeship opportunities that are sent to the careers team will be shared on our Next Steps Team.
