

Useful Websites & Resources to help with your Student Finance Application & Funding

Student Finance

[UCAS – Money & Student Life](#)

All about money, from budgeting to student discounts and student finance information.

[Get undergraduate student finance: step by step](#)

Use the link to check if you're eligible for student finance, find out how much you can get, how to apply and when you start repaying.

[Student Finance for Undergraduates – Eligibility](#)

Use the link to check eligibility for student finance.

[Student Finance Calculator](#)

Check how much student finance you could get.

[Extra Financial Help](#) and [NHS Student Services](#)

Find out about extra financial help available if you are on a low income, disabled, have children or are studying a certain course.

[Support your child or partner's student finance application](#)

Information on giving details about your household income if your child or partner has applied for student finance in England.

[Income Tax: Introduction](#)

Household income is your taxable income. See a full list of taxable income sources here.

Scholarships & Bursaries

[Scholarships & Grants](#)

Use the link as a starting point for finding scholarships, bursaries and grants, information about student finance and funding, as well as guidance for university applicants and undergraduates.

University Bursaries & Scholarships

There is no single national directory that comprehensively lists all university bursaries and scholarships. The best approach is to search the finance section of each university's website. For example:

- [UCAS Search Tool](#) (find universities and then view their funding pages)
- [Prospects – Student Bursaries and Scholarships](#)

Student Finance

[Budget Calculators](#)

Advice on the best budget calculators and how to use them.

[MoneySavingExpert Student Money](#)

Guides and tools to help you save money while studying

Alternative Routes

[UCAS Degree Apprenticeships](#)

Explore information on degree apprenticeships, which give you the opportunity to gain a paid-for degree while getting industry experience and earning a salary.
